Dear Parents,

This week, we'll learn about **"God Created the World"** (Genesis 1–2). *In the beginning, God created everything by His word. Over six days, He formed the heavens, earth, light, sky, seas, plants, animals, and finally, people—His special creation made in His image. God saw that all He made was good, and on the seventh day, He rested. Through faith, we believe that Jesus, the Word of God, created and holds everything together, fulfilling God's perfect plan.*

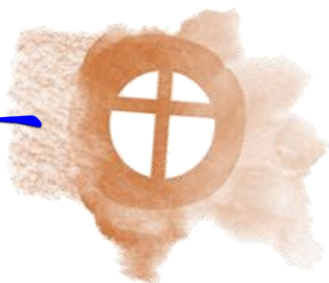

I hope this message will inspire your child to grow in the love and light of Jesus. To help reinforce the lesson at home, please discuss the following points with your child:

- ☐ **Creation of the World:** Talk about how God created everything by speaking, from light to plants, animals, and people.
- ☐ **Special Creation:** Explain why humans are special in God's creation, being made in His image and given a special role.
- ☐ **Rest and Worship:** Discuss the importance of the seventh day when God rested and how we can remember to rest and worship Him.

Pray with your child, thanking God for creating everything and asking for a heart that loves and cares for His creation.

Grace and blessings in Christ,

Danny Sungshin Park
Pastor of Children's Cell

BIBLE PASSAGE: **Genesis 1-2**

KEY PASSAGE: **Psalm 104:24**

BIG PICTURE QUESTION: *Who is God?*

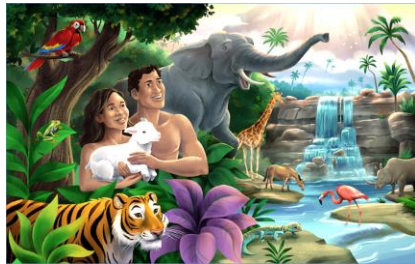

God is our Creator and the King of everything.

In the beginning, God created the heavens and the earth. The earth was formless and empty. Darkness covered the ocean, and the Spirit of God hovered over the surface of the water. Then God said, “Let there be light,” and there was light. God saw that the light was good, and God separated the light from the darkness. God called the light “day,” and He called the darkness “night.” There was an evening, and there was a morning. That was the first day.

God separated the waters that were on the surface of the earth from the waters that were above the earth. He called the space above the earth “sky.” Evening came and then morning: that was the second day.

God created dry land on the earth. He gathered the waters and called them “seas.” God commanded the earth to grow plants and trees. God saw that His creation was good. That was the third day.

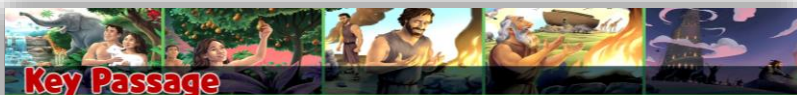

Next, God put lights in the sky—a sun to shine during the day and the moon and stars to shine at night. God saw that His creation was good. Evening came and then morning: that was the fourth day. God created sea creatures and birds. This creation was good, too. God commanded them to multiply, to fill the seas and the earth. Evening came and then morning: that was the fifth day.

Then God created animals like livestock and wildlife. God saw that His creation was good. Finally, God said, "Let us make man in our image, according to our likeness." God created people differently from everything else He created. People were God's special creation because they were made in His image. God took dust from the ground and made a man. God breathed His very own breath into the man, and the man became alive.

God made a garden and put the man there. He grew trees to give food for the man, and He told the man to work in the garden and take care of it. Then God said, "It is not good for the man to be alone. I will make a helper for him." God caused the man to fall into a deep sleep. God took a rib from the man and created a woman to be the man's helper and wife. God named the man and woman Adam and Eve. He blessed them and commanded them to multiply, fill the earth, and rule over creation. God saw all that He had made, and it was very good. Evening came and then morning: that was the sixth day. Creation was complete, so God blessed the seventh day and declared it holy. On that seventh day, God rested.

By faith, we believe that God created the whole world by His word. (Hebrews 11:3) Jesus, the Word of God, is Lord over all of creation. Everything was created by Him and for Him. The Son has always existed, and He holds everything together. (Colossians 1:16-17)
